Volume 15 (2) OCTOBER 1998

## IUCN OTTER SPECIALIST GROUP BULLETIN

The IUCN Otter Specialist Group Bulletin appears biannually. Articles, reports, symposium announcements and information on recent publications are welcome. All submissions should be typed in double-spacing. The submission of an electronic manuscript (winword, wp or ASCII) on diskette is strongly recommended. Reports should not exceed 2000 words in length, i.e. not to exceed four printed pages, including diagrams and tables. Articles may be longer. Diagrams, maps and tables should be included as a photocopy ready for reprint.

Articles will be fully reviewed. Authors are requested to add a notice whether they submit an article or a report.
